

EPISODE 10: SHOW NOTES AND ACTION ITEMS

In this episode, Mike explores the topic Digital Transformation, from the point of view of a digital transformation specialist of technician. What is digital transformation? The Enterprisers Project, <https://enterpriseproject.com/what-is-digital-transformation>, provides a nice overview.

As discussed in the podcast, the website SimplyHired lists the sought-after characteristics of a Digital Transformation Specialist. Go to <https://www.simplyhired.com/> and enter Digital Transformation Specialist in the search field.

Also referenced in this podcast, you can find the article illustrating digital transformation, “Using Digital Tools to Move a Candy Company Into the Future” at <https://www.nytimes.com/2018/09/21/business/digital-tools-move-candy-company-into-future.html>
