

## EPISODE 34: SHOW NOTES AND ACTION ITEMS

In this interview you heard about the emerging Bio-Industrial Manufacturing sector and how that is being championed by the [BioMADE National Manufacturing Institute](#).

Your action today is to explore how BioMADE is responding to biology's industrial revolution. In [this video](#), view the high level overview of BioMADE's Education & Workforce Development focus, and check out the academic membership tiers [here](#).

You can also explore your possible alignment with any of the Manufacturing USA Institutes by starting here, <https://www.manufacturingusa.com/institutes>
